

The Carpathia Club

Welcome to the Carpathia Club. From weddings and social events to meetings and corporate functions, the Carpathia Club has much to offer at affordable prices. We are known for old world quality with a modern flair.

The Atmosphere

With gorgeous crystal chandeliers and custom woodwork, the Carpathia Club is an elegant choice for your special event. The main hall seats up to 450 guests comfortably without covering the dance floor. We accommodate small groups, and even offer rooms with a library feel. Unlike most halls, we have a spacious hardwood dance floor, a full size stage and an outdoor patio. The club also has a large, wooded property with a river view perfect for special outdoor photographs. Relax and enjoy.

The Dining

Our original European recipes are homemade with pride. Yes, homemade. You'll taste the difference in freshness and flavor. And Carpathia Club always offers something unique for your guests - delicious specialty items such as schnitzel and rolladen are popular choices. Do you have a special request? Just let us know!

The Old and New Traditions

Keep in mind, "Old World" doesn't mean old-fashioned. The Carpathia Club offers convenient wireless microphones, a large screen PC projector, internet access, satellite television, custom sound system, and private conference rooms. The Carpathia Club gives you the perfect blend of Old World quality with modern amenities at an affordable price.

Choose the Carpathia Club for your event: the atmosphere, the dining, the traditions, all at an affordable price. In so many ways, Carpathia Club is ready to serve you. Visit us and let's talk about your ideas. Together, we'll make your event a success.
