

## Carpathia Club, Inc.

## KICKERS U 14

The winter has been long for the Carpathia U-14 Boys "Blue" but they have kept busy with indoor games and training since November. We have played at the Sandbagger's Golf Dome which is a beautiful facility in a U-15/16 division.

Things went well and the boys held their own playing against players sometimes a full two years older. We also have been training all winter on Wednesday nights.

We are presently playing in a U-16 Boys division for the third session of indoors. Sandbagger is located on 23 Mile Rd. between Gratiot and I-94 in Chesterfield.

We are looking forward to training and playing outdoors real soon. We have entered the State Cup competition and also will be representing Carpathia at the Midland Fusion Tournament on the weekend of May 12-14. Our season kicks off at the end of April and can't wait for the great competition that waits ahead of us.

If you would like to enjoy a great youth game come out to watch us and all the great youth teams that play and represent the Carpathia Kickers this Spring.

You can find all our schedules on the website at : [www.CarpathiaKickers.com](http://www.CarpathiaKickers.com)

Thanks for your support....see you at the Club.

Mike Talan (Head Coach)

Don't forget to plan for the Annual Kickers Golf Outing in late summer. Keep an eye out for flyers. This event sells out quickly and is on a first come, first serve basis.

The Kickers would like to express their heart felt thanks to the organizers of the Annual Bob Schwager Golf Outing for moving their date to early June. Please help support this worthwhile event.
