

Carpathia Club, Inc.

**Thank you to all our members!**

On behalf of the Carpathia Club, it's Board of Directors and the festival/picnic committee, I would like to thank all of the people that had volunteered their time and dedication to the two weekend events that were held on our Club grounds.

Your help was wonderful and greatly appreciated by everyone and especially myself. As chairman of both the Sportfest/Fathers Day Picnic and the Sommerfest this year, I thank all of you that gave so much to make these two events a success. We have learned as we have hosted a few events on our Club grounds, that the workload is still very demanding. In the future, we hope to see MORE of our members pitch in with the set up or in the food and drink service areas, remember with out our membership getting involved in the operations and functions of our Club... we have no Club!

Personally, I felt there was a small handful of people that really cared and stood behind what we are all about, and to those, and you know who you are...Thank you from the bottom of my heart. Next year, I hope to see triple the amount of volunteers so that we all can enjoy the atmosphere of our Club festivals. Hopefully the weather will be just a little bit cooler.

Once again, thanks to all those who gave their time for OUR Club!

Mike Talan  
Festival Committee Chairman

**MARK YOUR CALANDER**
