Friends of Carpathia,

Thank you for taking the time to consider sponsoring our Soccer program. As one of the first soccer organizations, The Carpathia Kickers are proud of the rich history of development, competition and many championships. For over 60 years we have provided an avenue for players both young and old to play soccer in the metro Detroit area. The Kickers teams play in the MYSL, MSPSP and MPSL Soccer Leagues.

The funds received from our sponsors will help us provide our players lower cost, provide soccer equipment, provide camps and additional training as well as enhance our soccer fields by providing a great playing experience to our teams. Your support is greatly appreciated by the many volunteers who make this club succeed in providing a successful opportunity for our players to play the great game of soccer.

We are offering 3 types of sponsorship.

Gold Plan: \$500- This option will have your business logo on a 3' x 8' banner located on the sideline near the center of a full size soccer field which will be viewed by many people during the course of the year. Your logo will also be placed on our website.

Silver Plan: \$350- This option will have your business logo on a 3' x 4' banner located on the sideline near the endline of a full size soccer field. Your logo will also be placed on our silver club sponsorship page of our website.

Bronze Plan: \$150- This option will have your business logo placed on our sponsorship page of our website.

We are proud of our rich heritage, and invite you to **ADVERTISE** your support for not only the Kickers, but for the sport of soccer. We appreciate your generosity and continued support of the soccer program.

If you have any questions or need further information, please contact me.

Thank You,

Tim Busch
